Letter from the Government of Madras, No. 1,651, dated 10th June 1869.

OBSERVATIONS.—The Government of Madras report having sanctioned revisions to certain Forest establishments in that Presidency, and submit a tabular statement in which is included the travelling allowance of Rupees 30 per mensem sanctioned for two Overseers in the Annamallay and Chenai Nair Forests.

2. In Financial Department Resolution, No. 1,897, of 10th July last, the grant of consolidated travelling allowances was objected to; and the question whether the ordinary rules for actual travelling cannot be made applicable to the case of these Overseers has been referred to the Government of Madras.

3. In the Conservator's office establishment a revision has been made in the pay of the peons; six peons were sanctioned at Rupees 7 each, or a total of Rupees 42. By the revision there will now be two peons at Rupees 9 and 8 respectively, and four at Rupees 7, at a total cost of Rupees 45 per mensem. It is reported that the peons whose salaries have been increased accompany the Conservator when travelling, and it is said to be impossible to procure men for this purpose at a lower rate of pay.

4. A revision has also been made in the establishment for Tinnevely, effecting a saving of Rupees 21 per mensem.

5. This saving may be considered as a set-off against the increase of Rupees 3 per mensem in the Central Office, and the revisions are recommended for sanction.

*Proceedings of the Madras Government, Revenue Department,
29th November 1869.*

ORDER.—Ordered that, with the papers read, a copy of this Resolution be forwarded to the Financial Department for consideration and orders.

RESOLUTION.—The Governor-General in Council observes that, in Financial Resolution, No. 1,897, dated 10th July 1869, exception was taken to the grant of consolidated travelling allowances, and, pending a reply to the inquiry in that Resolution, the confirmation of the first two items in the foregoing list is withheld.

With regard to the third and fourth items in the list, His Excellency in Council observes that the Conservator of Forests in Madras has six peons, while, under Financial Resolution, No. 3,508, dated 18th September 1869, the Conservator of Forests in the North-West Provinces was allowed only three peons, being an increase of one on the previous scale. Rupees 9 a month being too high a rate, Rupees 8 each a month for the two travelling peons for the Conservator of Forests in Madras is sanctioned, while the three peons in excess should be struck off.

ORDER.—Ordered that a copy of the foregoing Resolution be forwarded to the Public Works Department* and to the Accountant-General, Madras.
