No. 363. Read the following Endorsement of the Accountant-General, Madras, dated Fort Saint George, 1st November 1869, No. 133:—

Read the following Proceedings of the Board of Revenue, dated 23rd October 1869, No. 7,900.

Read the following letter from the Officiating Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 25th September 1869, No. 269.

THE Accountant-General has retrenched from June last the acting allowances of certain talook servants of this district drawing less than 100 rupees per mensem on the ground that they were not regulated at 20 and 50 per cent. under the Orders of Government of India, dated 1st May 1869.

2. The Accountant-General's Circular, No. 6, dated 29th May last, conveying the above Orders, did not absolutely prohibit the payment of acting allowances under the old Rules as regards servants drawing less than 100 rupees per mensem, and, keeping in view that no extra charge is incurred in paying the allowances, these petty appointments were made as efficient persons could not be found to act in them on smaller allowances.

3. The Accountant-General's Circular, No. 15, dated 6th instant, strictly prohibiting the payment of acting allowances higher than those prescribed in the Government Order quoted above without special sanction, was received only on the 12th idem.

4. The acting appointments already made according to the former rules owing to the permanent incumbents having taken sick and private affairs leave are annexed. No additional charge has been entailed on Government.

5. As the appointment of the individual No. 5 as Escheat Inspector on Rupees 35 will shortly be dispensed with, he was deputed to act as 1st Revenue Inspector of the Calicut talook until other arrangements could be made to provide him with a place.

6. No. 6 is the Palghaut Sheristadar, who was appointed to act for the Sub-Magistrate of Alatur, a lower* paid appointment, and to draw a moiety of the salaries attached to each. As the Sub-Magistrate is also Sub-Registrar of that station he suffers no loss by the acting appointment, which the exigencies of the public service rendered necessary.

7. Under these circumstances I have the honour to request that the sanction of Government may be obtained to enable the Accountant-General to pass the allowances of the appointments entered in the annexed list.
