Withdrawn order

Proceedings of the Madras Government, Public Works Department, 10th September 1869.

No. 264. Read the following letter from the Acting Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 4th September 1869, No. 2,933:—

WITH reference to G. O., No. 2,861, dated 1st instant, communicating G. O., No. 2,411, dated 24th August 1869, Revenue Department, I have the honour to state that Rupees 5,000, for the metalling of the road from Vellore to the Railway Station, have been struck out of the revised Local Fund Budget submitted by the Collector to the Revenue Board for sanction, as the district road collections are not sufficient to meet the outlay, and the road is now in fair order.

2 The receipts which were expected to be Rupees 1,15,200, are now calculated at Rupees 1,06,500, and the Collector requested me to omit this work, agreeably to his revised list, along with others.

No. 265. ORDER THEREON, 10th September 1869, No. 2,977.

CIVIL WORKS, No. 39.

COMMUNICATED to the Revenue Department with reference to the orders in that department, dated 24th August 1869, No. 2,411.
