Proceedings of the Madras Government, Revenue Department,
6th January 1869.

No. 62. Read the following letter from the Government of India, Financial Department, (Separate Revenue—Assessed Taxes,) to the Chief Secretary to the Government of Fort St. George, dated Fort William, 21st December 1868, No. 3,656 :—

1. As some misapprehension appears to exist regarding the quarterly returns of assessments under Act IX. of 1868, prescribed in the Financial Resolution No. 2,464, dated 20th April last, I am desired to convey the following explanatory remarks.

2. The quarters for which the returns are required are those of the year of assessment, commencing on the 1st May 1868. The four quarters, therefore, end on the 31st July, 31st October, 31st January, and 30th April respectively. As indicated in the headings of the returns, each should shew the assessments from the 1st of May. Thus the return for the second quarter will include the figures shewn in the return for the first quarter, corrected, if necessary, owing to any modifications resulting from appeals, &c. Similarly, the return for the third quarter will include the assessments, &c., made in the previous quarters, and the return for the fourth quarter will give the figures for the entire year.

3. As the first assessment on salaries was made on those for May, the return for the first quarter will shew the assessments on the salaries for May and June only.

4. If the returns already submitted have not been prepared in accordance with the above instructions, you are requested to submit revised returns at the earliest possible date.
