*Proceedings of the Madras Government, Revenue Department,
7th December 1869.*

No. 98. Read the following Proceedings of the Board of Revenue, dated 23rd November 1869, No. 8,631:—

Read the following letters:—

From the Commissioner of the Neilgherry Hills, to the Acting Secretary to the Board of Revenue, dated Ootacamund, 10th November 1869, No. 157.

No. 24 of 1869, for Acres 2-89.

I HAVE the honour to forward, by banghy, the marginally noted Title-deeds, in duplicate, for waste land purchased by Colonel Woods, and request that they may be returned to me with the Seal of Government affixed as usual.

ENCLOSURES Nos. 1 to 11.—Title-deeds and Plans in duplicate.

From the same Officer, dated Ootacamund, 11th November 1869, No. 160.

I HAVE the honour to forward, by banghy, a Title-deed, in duplicate, for waste land purchased by Mr. A. Frend, and request you will be good enough to return the same to me with the Seal of Government affixed as usual.

ENCLOSURE No. 1.—Title-deed and Plan in duplicate.

ORDERED that the twelve Title-deeds and Plans, in duplicate, numbered from 24 to 36 (both inclusive), received with the above letters, be submitted for the Seal of Government, in accordance with Rule V. of the "Subsidiary instructions relating to the sale of assessed waste on the Neilgherries, Shervaroys, and in the Wynaad," recorded in the Proceedings of Government, No. 1,208, dated 6th July 1863.

2. In all the plans, the date of the Commissioner's approval differs from that entered in the first line of the deed. These should have been the same.

3. In the following deeds the blank spaces are imperfectly filled up with ruled lines, viz., both copies of deeds numbered 24, 33, and 35, and one copy of deeds numbered 29, 30, 31, and 32.

4. In one copy of deed No. 28, in the eighteenth and twentieth lines from the top of the first page, the words "Pies three" have been entered instead of "Pies nine;" and in one copy of deed No. 32, the words "Pies nought" have been entered in the fifteenth line from the bottom of the first page, instead of the words "Pies five."

5. These mistakes should be corrected under the Commissioner's initials. In three cases, (*vide* deeds Nos. 30, 31, and 32,) the land sold exceeds 10 acres, although within the limits of Ootacamund.

6. In every deed there are errors in the printed form, "*ninth* day of March" being entered in the sixth line instead of "*sixth* day." In the seventeenth line the word "the," entered between the words "full" and "sum" should be erased.

*Proceedings of the Madras Government, Revenue Department,
7th December 1869.*

7. The Board observe that when, as in the present instance, several deeds are forwarded at the same time, it would be well if more or larger tin cases were employed. The cases in which these deeds have been sent are so small that it is almost impossible to put the papers into them without injuring the Seals attached.

No. 99. ORDER THEREON, 7th December 1869, No. 3,123.

Land Revenue.

ORDERED that the deeds, received with the foregoing Proceedings, with the exception of that numbered 35, be sealed and returned.

2. The misprint in the spelling of the word "Successors" in the eighth line from the bottom of the first page, should be corrected under the Commissioner's initials in all these deeds.

3. In deed No. 35 there appears to be an error in the amount entered in the second page as payable in redemption of the annual assessment on the land therein referred to. The assessment being Rupees 112-5-0, the redemption-money would amount to Rupees 2,807-13-0, not Rupees 2,808-9-0, entered in the deed. The document will therefore be returned for correction.

(True Extract.)

(Signed) R. A. DALYELL,

Acting Secretary to Government.

To the Board of Revenue, with twelve deeds in duplicate.
