PROCEEDINGS OF THE BOARD OF REVENUE, dated 26th November 1869.

Read the following letter from J. H. BLAIR, Esq., Honorary Secretary of the Government Farm, to the Acting Secretary to the Board of Revenue, dated Madras, 7th October 1869, No. 54:—

I BEG to acknowledge receipt of the Board's Proceedings of the 22nd September 1869, No. 7,044, calling for the remarks of the Farm Committee on the letter from the Secretary of the Sydapet school, forwarded by the Collector of Madras to Government, asking for an increase to the compound of the school.

2. I am desired to inform the Board that in June last an application was made to the Farm Committee for the ground, when it was finally settled by the Honorary Secretary of the School, the Farm Superintendent, and myself, that a certain portion of ground, as shown in the plan accompanying the Superintendent's letter to me of 6th October 1869, (herewith forwarded with plan,) should be allotted to the school, and that the ground to the south could not be given up.

3. The Superintendent's letter shows that no one has attended on the part of the school to mark out the boundaries then fixed, but which can be done on any day the Honorary Secretary of the Sydapet school is able to be present, on his giving previous notice to the Superintendent of the Farm.

ENCLOSURE No. 1.

From W. R. ROBERTSON, Esq., Superintendent of the Government Experimental Farm, to the Honorary Secretary of the Government Experimental Farm, dated Sydapet, 6th October 1869.

I HAVE the honour to enclose the papers referring to the proposed increase of the Sydapet school compound, and a rough sketch of the ground with the proposed alterations in the boundaries. Acting on the arrangement made by yourself and Vigia Ragavaloo Chetty in June last, I have cleared the ground on the south side of the school, and after levelling have ploughed, manured, and sown it. When the arrangement referred to was made, Vigia Ragavaloo Chetty expressed his satisfaction with the boundaries, as pointed out by you, and promised to meet me on an early occasion to lay down the lines for the new fences. As this meeting has not yet taken place I have not cultivated the ground on the east side of the compound, so this boundary can be placed wherever it may appear most desirable.

ENCLOSURE No. 2.—Plan.

BY Government Order, dated 19th May 1865, No. 1,056, two cawnies of land in the Roshun Bag were assigned as a site for the Sydapet school on the following conditions, viz.:—

(1). That a rent of 12 annas a cawny should be paid for the land.

(2). That the Sydapet School Commissioners should enter into an agreement that the land should be used only for the purpose specified, and should revert to Government in the event of any future changes interfering with the retention of the school.

2. The Collector of Madras, with his letter, dated 26th July 1869, No. 169, submitted for the favourable consideration of Government an application from the Honorary Secretary to the Sydapet School Commissioners, requesting that as the space at present available is insufficient for a good play-ground permission may be granted for the extension of the compound on three sides, viz., north, south, and east, as shown in the plan annexed to his letter. The extension solicited comprises two cawnies.

3. By Order of Government, dated 14th August 1869, No. 2,339, the subject was referred to the Board for report, after communication with the Farm Committee.

4. The Board learn from the report of the Honorary Secretary to the Farm Committee that the Committee are opposed to the grant of any land to the south of the present site, but that they have no objection to an extension on the north and east.

Proceedings of the Madras Government, Revenue Department, 14th December 1869.

No. 192. Read the following Proceedings of the Board of Revenue, dated 26th November 1869, No. 8,745:—
