*Proceedings of the Madras Government, Revenue Department,
14th December 1869.*

No. 198. Read the following Circular from the Government of India, Financial Department, (Separate Revenue—Stamps,) to the Secretary to the Government of Madras, dated Fort William, 3rd December 1869, No. 2,932:—

THE Governor-General in Council desires to direct the attention of all Local Governments and Administrations to the provisions of the Court Fees Bill which is now under the consideration of the Legislature. This Bill will probably be enacted and come into operation from the 1st January next. Arrangements are, therefore, necessary for the supply of a sufficient quantity of the stamps prescribed in the schedule. The only new denomination of stamps contemplated are those which include fractional parts of a Rupee. For these adhesive stamps might be used to denote the fractional part.

2. There is no stock of adhesive stamps at present on hand specially designed for this purpose, but there is a very large stock of Foreign Bill and other (adhesive) stamps which might be utilised. When the Act is passed, orders will be issued legalising the use of such stamps for Court Fees, pending the provision of appropriate stamps; at the same time instructions will be given for bringing such stamps to the proper head of account. Each Local Government and Administration is requested at once to take the necessary steps for insuring a sufficient supply of stamps being in the hands of the vendors throughout the country.

3. With reference to Section 21 of the Bill, any additional rules which are required for the sale of these stamps should be drafted and submitted to the Government of India.

ORDERED, that the above Circular be published in the *Gazette of India* for general information.
