*Proceedings of the Madras Government, Revenue Department,
5th February 1869.*

No. 111. Read the following Proceedings of the Board of Revenue, dated 23rd January 1869, No. 423 :—

Read the following letter from the Head Assistant Collector, for Collector of Madura, to the Acting Secretary to the Board of Revenue, dated 18th December 1868, No. 316.

1. I have the honor to bring to the notice of the Board, that in the village of Keelavalvoo, Melur Talook, dry lands to the extent of Cawnies 5-7-0, held on puttah by Nachan Nalliappen have been for Fuslies 1275, 1276, and 1277, erroneously charged with wet assessment by the then Carnums who have been since dismissed on charges of embezzlement, and to request the sanction of the Board for refund to the widow of the Puttahdar of Rupees 18-15-5, being the difference between the dry and wet assessment collected for the three years and carried to the credit of Government.

2. The erroneous entries in the accounts were only brought to light subsequent to the Settlement of Fusly 1277.

As a portion at least of the amount, Rupees (18-15-5) eighteen, Annas fifteen, and Pies five, must have been carried to account upwards of two years ago, this application for a refund is submitted for the sanction of Government.

2. The Collector will be instructed invariably to specify the dates on which collections are carried to account, which are subsequently recommended to be refunded.
