*Proceedings of the Madras Government, Revenue Department,
15th December 1869.*

No. 216. Read the following Proceedings of the Board of Revenue, dated 9th November 1869, No. 8,265 :—

Read the following letter from C. W. READE, Esq., Collector of South Arcot, to the Acting Secretary to the Board of Revenue, dated Cuddalore, 12th October 1869, No. 224.

I AT once acknowledge the Board's Proceedings of the 4th instant, No. 7,361, in order to point out a difficulty to the proposed arrangement by the Board for exchanging the Sea Customs Superintendents of Cuddalore and Porto Novo.

2. The Superintendent at the former place receives an allowance of Rupees 30 as Conservator of the Port, and he has drawn this allowance since 1862, when it was sanctioned, and there is no such allowance attached to the port of Porto Novo; so that in transferring the Cuddalore Superintendent to Porto Novo, he will forfeit this extra salary which would hardly be equitable, and could not have been contemplated by the Board.

3. The revised Marine establishments of the Madras Presidency were sanctioned by the Government of India, and will be found recorded in the Proceedings of the Madras Government and Order thereon, under date the 19th May 1862, No. 132, Marine Department.

4. As regards the other subordinate servants* of the respective establishments, the exchange may be carried out; but I would observe that the trade of Cuddalore is likely to fluctuate, and

when a rail or tramway connects it with the main line at Arcanum or any other point, it will probably greatly increase, and that permanently.

THE Board resolve to submit this letter to Government, in continuation of their Proceedings of the 4th October 1869, No. 7,861, with an opinion that, under the circumstances now brought to notice by Mr. Reade, the proposal for exchanging the Superintendents must be for the present given up; the transfer of the subordinate establishment being the only course at present feasible.
