To furnish the Govt of India with a report re-
garding the requirements of the Bangalore
Branch in road fuel, the sources whence the
supply is drawn at present, the cost of fuel at
the different fuel stations of the main lines
and the Bangalore Branch, and the pros-
pect of a permanent supply of the quantity
required for working the two main lines
and the Bangalore branch of the Madras Rail-
way.

Order thereon 20 September 1869. No. 3063.

Communicated to the Consulting
Engineer for Railways, who will report on the
several points noticed in Para 2.

(True Extract)

Chas. A. S. Esq. Col. R. B.

Proceeding of the Madras Government.

Read the following:-

From the Off. Secretary to the Govt. of India

N^o 409.7.

Govt. of India.

Public Works Dept.

Revenue & Forests.

To the Secy. to the Govt. of Madras.

P.W. D. (Railway).

Srinagar. 8th Sept. 1889.

Sir,

The attention of the Govt. of India has been drawn to the question of extending plantations in Mysore for the production of wood fuel, mainly for the Bangalore Branch of the Madras Railway. If a sufficient area can be obtained, these plantations may eventually be important not only for that Branch but also for the main line.

2. I am therefore directed to request that, with the permission of His Excellency the Governor in Council, you will be good enough

28th Sept. 1889
