*Proceedings of the Madras Government, Revenue Department,
6th February 1869.*

No. 124. Read the following Proceedings of the Board of Revenue, dated 18th January 1869, No. 284 :—

Read the following letter from the Commissioner of the Neilgherries, to the Acting Secretary to the Board of Revenue, dated 4th December 1868, No. 83.

Names.	*Appointment.	Pay.	Period of service.
1. Rungappah Naidu.	Head Accountant...	75	23 years.
2. Sashyengar...	Deputy do.	50	2 "
3. M. Rajarathnum Moodelliar.	2nd English Clerk.	50	4 "

1. The pay of the first two officials named in the margin has been objected to by the Accountant General for the month of September last, on the ground that they have not passed the Tests qualifying them for the posts held by them.

2. No. 1 is an old Government Servant of twenty-three years standing, and now gets an increase of Rupees 5 only over Rupees 70 drawn by him for a considerable period. The Tests required of him are the Precis-Writing and the Account Test. He is nearly fifty years old and has been continuously employed on these Hills, from a period at which it was impracticable to get efficient men for work here. He is a hard-working and trustworthy Public Servant as may be gathered from the numerous and note-worthy testimonials borne by him, and submitted with his application herewith forwarded. I think he is in every way deserving of being exempted from the Precis-Writing Test, as contemplated in the Notification of Government, Public Department, under date the 4th August 1868. The remaining Test is not of great consequence, considering the length of his service and the small sum now added to his pay whereby he is brought under retrenchment. The formation of the Neilgherry Hills into an independent district has thrown a great amount of work upon him, and I can assure the Board that he is often at work from morning to night. It would be a great boon for a man of his years to be exempted from the Account Test also.

Examination.

3. No. 2 has already passed the Special Tests noted in the margin, and appeared in August last for the Revenue Higher Grade and Precis-Writing.

4. No. 3 passed the General Test in 1862, *vide* "Fort Saint George Gazette," dated 13th June 1862, No. 42, (Anglo-Vernacular Test,) and appeared during the last examination for Criminal Higher Grade Test, Judicial, Civil, Lower Grade, and Precis-Writing Test, Higher Grade. Perhaps the Board of Revenue will be good enough to ascertain from the Commissioner for the Uncovenanted Civil Service Examinations how No. 2 stands in the Account Test and No. 3 in the Precis-Writing. Their Examination numbers are 2,695 and 1,865 respectively. As however, both Nos. 2 and 3 are useful and promising hands, I beg to recommend that they may be allowed one year's time to qualify themselves for the posts now held by them should the result of the late examination be unfavorable to them.
