*Proceedings of the Madras Government, Revenue Department,*  
11th February 1869.

No. 173. Read the following Proceedings of the Board of Revenue, dated 29th January 1869, No. 621 :—

Read the following letter from the Collector of the Godavery District, to the Acting Secretary to the Board of Revenue, dated Cocanada, 18th December 1868, No. 318.

With reference to paragraph 4 of the Government Order, dated 12th October 1868, No. 2,623, communicated with the Board's Proceedings of the 20th idem, I have the honor to state that, in the first instance, on my receiving a report from the Government Vakeel that the plaintiff in Original Suit No. 1 of 1867, had filed the suit with the consent of the defendant to get possession of the estate in consequence of the adoption, although the adoption was once denied by the defendant in a summary case formerly, I ordered the Vakeel to apply to the Court to postpone the hearing of the suit for a month, that the Government claim to the estate of the childless widow might be urged after obtaining the permission of the Board. The Court declined to do this, and fearing that the defendant might contradict her former statement about the adoption, I did not write to the Board for their orders before commencing proceedings. The defendant, however, again reiterated her denial of the adoption, and the Civil Court dismissed the suit. In all suits filed against the Collector, the defences are approved and sanctioned by the Board before any proceedings are taken. But in such cases as that above stated, simple petitions are generally presented in the Courts by the Government Vakeel with my permission on certain emergent occasions.

SUBMITTED for the information of Government, in continuation of Board's Proceedings, dated 22nd December 1868, and with reference to Government Proceedings quoted by the Collector.

2. As Government have decided, in their Proceedings of 22nd December 1868, No. 3,189, that no further action need be taken in the case, the Board presume that the report called for in paragraphs 2 and 3 of the Government Proceedings of October 12th, No. 2,623, will not now be required.
