Read the following letter from Apothecary J. Hargeaves in medical charge, Chetterpore, to the Deputy Inspector General, Indian Medical Department, Presidency and Northern District, dated Chetterpore, 10th January 1869, No. 62.

I beg to report that the fever at Ganjam for last month shews an increase. 441 cases have come under treatment, this was owing to a number from the adjoining villages flocking in for medicines, the weather has become much milder, the wind has shifted from north-east, and a fine sea breeze has set in. The fevers are of a milder type.

Weekly Report of Fever cases among the Civil population of Ganjam from Monday the 11th to Sunday the 17th January 1869.
