*Proceedings of the Madras Government, Revenue Department,
12th February 1869.*

No. 199. Read the following letter from the Officiating Conservator of Forests, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Camp at Ootacamund, 28th December 1868, No. 1,107:—

1. In reply to the Government Order, No. 3,030, of the 4th instant, I have the honor to forward a letter* from Mr. Yarde, the Forest Officer in charge of North

Arcot, together with the copy of a letter that he had addressed to Dr. Cleghorn as Conservator. Subsequent to this, Dr. Cleghorn obtained the transfer of the whole of the jungles in the Vellore and Polur Talooks (*vide* G. O., No. 2,090, dated 6th September 1867). Government have just sanctioned the transfer of the Gooriathum Forests to the Special Department, and the Assistant Conservator in charge is of opinion, that the forests of the Chendragherry Talook should also be brought under Conservancy.

2. Mr. Yarde has formed several reserves, and in addition to the Casuarina Plantation at Trivellum, I am in correspondence with the Collector for two other blocks of land, which will answer for the growth of this tree; the tracts have been surveyed, and the survey charts have been forwarded to the Collector. Mr. Yarde has also formed a plantation of different trees at Ammerdy.

3. Mr. Yarde has just drawn up a very good forest map of this district, but it is not advisable to have it lithographed until it is finally settled what tracts are to be under the department, and until this is done, our Conservancy arrangements and establishment must remain in a transitory state.

No. 200. ORDER THEREON, 12th February 1869, No. 361.

Forests, No. 7.

The Board of Revenue will be requested to obtain the views of the Collector on the Acting Conservator's proposals.
