*Proceedings of the Madras Government, Educational Department,
5th February 1869.*

No. 18. Read the following letter from the Collector of Nellore, to the Acting Secretary to Government, Revenue Department, Fort Saint George; dated Nellore, 7th January 1869, No. 55.

With reference to Proceedings of the Board of Revenue, No. 7054, dated 30th

1. From the Inspector of Schools, No. 51, of 10th December 1868.
2. From the Sub-Collector, No. 206, of 19th August 1868.
3. To the Sub-Collector, No. 4355, of 12th December 1868.
4. From the Sub-Collector, No. 209, of 18th December 1868.

October 1867, I have the honor to request the sanction of Government to the appropriation of the building, lately occupied by the District Moonsiff's Court, for

the new Government School to be opened at Ongole, and to submit copies of correspondence on the subject.

From the Inspector of Schools, 2nd Division, to the Collector of Nellore; dated Nellore, 10th December 1868, No. 51.

You will learn from the enclosed copy of a letter, addressed to the Director of Public Instruction, that it is proposed to open a Government Anglo-Vernacular School in the Town of Ongole, and that the Acting Sub-Collector thinks that Government might be requested to hand over the building lately used as a Moonsiff's Court to the Educational Department.

2. I concur with Mr. Hughesdon, and beg that, if you see no objection, you will be good enough to recommend the Government to sanction the transfer.

From the Acting Sub-Collector of Nellore, to the Acting Collector of Nellore; dated Ramapatam, 19th August 1868, No. 206.

With reference to the Proceedings of the Board of Revenue, No. 3975, dated 29th May 1868, and your Memorandum thereon, No. 1693, dated 8th June, directing the sale, by public auction, at an upset price of Rupees 476, of the old Moonsiff's Court-house at Ongole, I have the honor to inform you that, on my recent visit to Ongole, I inspected the building, and found it to be very suitable for the Government School which the inhabitants wish to see established, and which the Inspector of Schools informs me he will gladly recommend for the favorable consideration of Government.

2. I beg to enclose copy of a communication which I have addressed to Mr. Fortey, and, under the circumstances therein set forth, I request your permission to postpone the sale, till that gentleman shall have expressed his views on the subject.

From the Collector of Nellore, to the Acting Sub-Collector of Nellore; dated 12th December 1868, No. 4355.

Forwards copy of a letter from the Inspector of Schools of the 2nd Division, dated 10th instant, No. 51, and requests that you will furnish me with full details of the building therein referred to, to enable undersigned to submit to Government Mr. Fortey's proposal to transfer it to the Educational Department.

From the Acting Sub-Collector of Nellore, to the Collector of Nellore; dated Ramapatam, 18th December 1868, No. 209.

I have the honor to inform you that the building alluded to by Mr. Fortey, Inspector of Schools, in his letter to your address, No. 51, dated 10th instant, (copy of which was received with your docket, No. 4355, dated 12th instant,) was lately (and still is, I believe, pending the execution of the necessary repairs to the old Taluq Cutcherry) occupied by the District Moonsiff of Ongole as his Court-house. The sale of the building was ordered by the Board in their Proceedings, No. 3975, dated 29th May last, at the upset price of Rupees 476, the amount at which it had been valued by the Department of Public Works. However, on the occasion of my visiting Ongole some months since, I inspected the building, and thinking that, with a little repair and alteration, it would be well-suited for the Government School which it is proposed to establish at Ongole, I obtained Mr. Boswell's permission to postpone the sale pending the consideration of the matter by the Educational Department.—See my letter to the Acting Collector, No. 206, dated 19th August, and his reply, dated 22nd idem, No. 2962.

FEBRUARY.

Nos. 266-267.

District Moonsiff's Court House at Ongole.

—Order sanctioning its transfer to the Educational Department, reversed.

*Proceedings of the Madras Government, Educational Department,
5th February 1869.*

2. The building is in the same compound as the old Taluq Cutcherry, and is not abandoned because it is in any way not worth keeping, but simply because the Cutcherry will suit the Moonsiff better. To erect a new building, any thing like so commodious for school purposes would, I think, cost Rupees 1500 or 2000. I do not know what amount Government usually contribute for the construction of a school-house; but my idea was that the building might be given over as an equivalent to the sum of Rupees 476 at which it has been valued, and the Government grant might be diminished by this figure. The rest of the Government contribution, and such proportion of the amount privately subscribed, (Rupees 1000,) as would be sufficient for the purpose, might be expended on the improvement of the existing premises. The balance remaining after this expenditure would, I believe, be required for the purchase of books, maps, &c., and school furniture.

3. I take this opportunity of requesting that you will be so good as to move the Civil Judge to call upon the Department of Public Works to expedite the repairs to the old Taluq Cutcherry, and render it available, as quickly as possible, for the District Moonsiff's use.

No. 19. ORDER THEREON, 5th February 1869, No. 43.

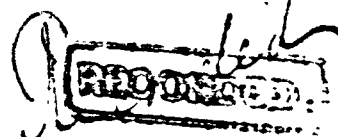

His Excellency the Governor in Council is pleased to sanction the transfer of the building, lately occupied by the District Moonsiff's Court at Ongole, to the Educational Department, to be appropriated for the Government School to be established at that Station.
