 me, but he

I don't see Mr. Robert's Journal from any work but see from these very much enlarged by his journey and will be got up but still will be like a fair amount of ornament; longer clear, but about 90-1 could detect no more heavy or distinct depression which might not be account for by his recent illness. In fact he was comatose and from some low form of fever. I should mention my first but as he is very much recovered rapidly in strength and appearance and was now all right and that distance but on the 22 and he was by those into Washington was changed for some hours of the Black Sea no victim to the ship he had an attack of fever that in character and all over but if I might say to him on the day and the other part of the year in account of the treatment of and see the photographs?

at present to get the 100 or a few

...ing which time he
...the greatly improved
...and his long dimmish
...but his strength which was
...him. By any other
...he left the hills and
...came to freedom on the
...and about. He found him
...weak in body and mind
...attracted in spirit to
...places of great virtue
...language clear, powerful
...regular, affable by a
...human soul. He has a
...light, bright, which has
...new grace from little he
...He and does well in his
...with his best of night.
...He does not suffer the
...light from any
...mind, and is richly
...step and affable, all
...along he has been getting
...the most mysterious part
...the visible, along with a
...very liberal allowance of
...good about which is the
...form of abundant, the
...most perfect. He has
...various forces including
...me and the human
...At the present on
...there is nothing the
...with him myself
...and great on
...view. He has
...instructed the
...human mind

...dread that which
...covered him much care
...and anxiety of mind.
...that quality which are the
...human course of the mind
...committably to the
...and of the mind.
...by perfectly knowing
...these sources of anxiety
...the which have already
...his mind has become very
...much unimpaired, and he
...forms me that he "doubt"
...constantly appears before
...him. In the three circumstances
...as strength that in him
...should be lost in trying
...the effect of trial change
...of an and seems and has
...thence advised him to
...lead to freedom of once
...during the greater part of
...his things, Mrs. Robinson
...has been made the change
...of a native freedom thinking
...not, and that freedom
...share not been able to
...leave his symptoms for
...any length of time, but
...the history has given me
...he held upon as a solution
...truly correct.

Wm Lloyd Garrison
9th Dec 1848

The Honorable David Atkinson
 Collector of Madras
 Age 48
 Ambassadors: dangerous
 habits - temperate
 residence in India 25 1/2 years

Mr. Atkinson came to
 Madras a few days before
 the 25th of July 1858
 and for the first time
 change as he had been
 much out of health for
 some time.

thought not on sick leave
 since the Lord Dunsford
 of Madras Government
 the following statement
 of his illness.
 Early in November last
 Mr. D. Atkinson arrived
 and in his direct going
 through descending from
 the train the result was
 that he caught a cold
 and with pretty high fever
 which continued for 3 or 4
 days.

He was as the general
 stated he went up to the
 Pulney Hills in rather a
 weak state and suffering
 from a headache and
 He remained on the hills
 for some time

many
 the fractured

From
Hon^{ble} D. Arbuthnot
Collector of Madras

To The Secretary to Government

Sir

I have the honor to request that
you will lay before Government
my application to be allowed two
years furlough as the present
state of my health makes it
necessary that I should return
to Europe as soon as possible

I have the honor to be

Sir

Your most obedient servant

D. Arbuthnot
