*Proceedings of the Madras Government, Judicial Department,
11th February 1869.*

No. 73. Read the following letter from the Subsidiary Jail Committee, to the Chief Secretary to Government, Fort Saint George; dated Madras, 26th January 1869, No. 257.

With reference to paragraphs 24 to 26 of our letter, No. 121, of the 9th May last, reporting on the Subsidiary Jail requirements of the District of South Arcot, we have the honor to state that the Magistrate has brought to our notice that, as the Sub-Magistrate of Porto Novo is "Superintendent of Sea Customs, he has to be all day "at that office on the beach, and, therefore, does all his Magisterial work there, and "never attends this* separate Cutcherry "which he has in the town." The Magistrate also concurs with the Joint Magistrate to give up the whole of the Town Cutcherry to the Police and the prisoners.

* Plan enclosed.

2. We regret that, in this case, we see no other method of providing the requisite accommodation for prisoners at a moderate cost; and although it is against our principle to leave prisoners under the sole custody of the Police, as we consider they should be under the eye and immediate supervision of the Magistrate, still, in this case, under the circumstances, we beg to suggest the following arrangements:—

1st.—That the room marked "Sub-Magistrate's Cutcherry on the accompanying plan be converted into a ward to hold four persons, and that one ward only (16 by 15 feet) be added to the building, instead of two as originally proposed by us.

2nd.—That the Sub-Magistrate should daily visit the Jail, and record that he has done so in a book to be kept for the purpose.

No. 74. ORDER THEREON, 11th February 1869, No. 193.

For the reasons assigned in the foregoing letter from the Committee on Subsidiary Jails, His Excellency the Governor in Council sanctions the conversion of the room appropriated for the "Sub-Magistrate's Cutcherry" at Porto Novo into a ward for four persons, and the erection of an additional ward measuring 16 by 15 feet.

2. The Sub-Magistrate will frequently visit the Jail, and record his having done so in a book which will be expressly retained for the purpose.

3. Orders will be issued, in the Public Works Department, for carrying out the arrangements now sanctioned at Porto Novo.
