*Proceedings of the Madras Government, Revenue Department,
18th February 1869.*

No. 314. Read the following Proceedings of the Board of Revenue, dated 18th January 1869, No. 297:—

Read the following letter from the Acting Sub-Collector in charge of the Kistna District, to the Acting Secretary to the Board of Revenue, dated Masulipatam, 11th December 1868, No. 380.

Acres 40.36 of dry land was till Fusly 1264 assigned for the Vetty Service of Chintapally, in the Talook of Crosoor. It was assessed with a Bediga of Rupees 8 per annum: this had fallen considerably into arrears, and the then holders in Fusly 1265 relinquished the Inam from inability to pay the accumulated demand on this account. In Fusly 1265, Acres 19.91 of the Inam, which on relinquishment by the holders had been incorporated with the Government lands, were granted on puttah to certain ryots, who will not now give them up. There remain Acres 20.45, which are now Bunjer and included in a jungle block, which has not been surveyed in detail and is not assessed. Since the relinquishment of their Inam, the Vetties have continued to perform the Village Service as usual: they had formerly no emoluments beyond the Inam: they have now no fees. It is proposed to re-grant the Acres 20.45 still remaining of the original Inam, and to make up the full amount (Acres 40.36) of it by a grant of Acres 19.91 from the jungle block, of which the former forms a part. I have the honor to request the sanction of the Board and Government to the proposal, and that the grant be made without the reservation of quit-rent, Bediga, or any such charge.

SUBMITTED for the sanction of Government.

No. 315. ORDER THEREON 18th February 1869, No. 416.

Miscellaneous.

1. The Government are of opinion that 40 Acres is a large extent of land to be granted as Inam for the performance of the menial offices of one village. The Collector should be called upon to report the number of Vetties at present employed, and the average extent of the Vetty Service Inams in the adjacent villages.

2. The rates of assessment on dry lands in the village of Chintapally, similar in quality to those proposed to be granted, should also be stated.
