*Proceedings of the Madras Government, Judicial Department,  
12th February 1869.*

No. 94. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, Fort Saint George; dated Naynlpaul, 20th January 1869, No. 3657.

I have the honor to point out that, in G. O., No. 1897, of 17th ultimo, in the Judicial Department, communicated with G. O., No. 49, of the 8th instant, in the Public Works Department, the new Cutcherry, with Jail of six wards, at Tadputry, proposed by the Committee on Subsidiary Jails in paragraph 91 of their report, and included in their summary in paragraph 123, has been omitted. As I can only think that this has been an oversight, I have given directions to arrange for commencing the work, and trust that Government will approve of the same.

2. I beg, also, to point out that there is a discrepancy, between paragraphs 66 and 123 of the Committee's report, regarding the number of wards to be constructed at Bookapatam, and shall feel obliged by your informing me whether four or five wards are to be built.

Referred to the Judicial Department, with reference to the orders in that Department, dated 17th December 1868, No. 1897.

FORT SAINT GEORGE,  
27th January 1869.

(Signed) C. A. ORR, Colonel, R. E.,

Secy. to Govt., P. W. D.

No. 95. ORDER THEREON, 12th February 1869, No. 202.

The omission in the summary given in paragraph 5 of G. O., dated the 17th December last, No. 1897, of the new Cutcherry with Jail of six wards at Tadputry in the Bellary District, having arisen from a clerical error, His Excellency the Governor in Council sanctions the inclusion in the summary of the Cutcherry and Jail referred to, and directs that the number of wards to be built at Bookapatam be reduced from five to four, as recommended by the Committee on Subsidiary Jails in paragraph 66 of their report, dated 5th November 1868, No. 209.
