*Proceedings of the Madras Government, Public Department,

No. 107. Read the following Proceedings of the Government of India, Financial Department, dated Fort William, 27th January 1869, No. 477.

Pensions and Gratuities.

Read again—

The letter of this Department, No. 3252, dated 30th November 1868, to the Government of Fort Saint George, relating to the grant of pensions to persons serving in Local Funds' Establishments.

RESOLUTION.—In paragraph 3 of the abovementioned letter, it is stated that the orders of this Department, noted in the margin, "must not be construed as in any way binding the Government to

No. 2197, dated 21st April 1868,
" 1495, " 10th August "
" 1841, " 19th " "

allow pensions, on retirement, to persons employed on Local Funds' Establishments, or under Municipalities," but that "those orders simply permit local Governments to grant pensions to such persons by removing the obstacles which heretofore existed against their admission to pension."

2. On re-consideration, it appears that the wording of the passage last quoted, regarding the permission, conditionally, of grants of pension to persons employed under Municipalities, is apt to mislead. Such persons are not eligible to pension under any rules administered by the Government of India, or the local Governments, unless they serve in eligible grades in the Police of the Presidency Towns which are under Government control, or are under officers appointed by the Government, or in Municipal Police Establishments in the Mofussil which are amalgamated with the Civil Constabulary, or in Establishments paid from Local Funds which are under Government control, but are administered, as in the Bombay Presidency, by Municipalities.

Ordered that the foregoing Resolution be communicated to the Home and Public Works Departments, the several local Governments and Administrations, the Comptroller General of Accounts, the several Accountants General, and the Deputy Accountants General in independent charge.
