Proceedings of the Madras Government, Revenue Department,
23rd February 1869.

No. 423. Read the following Proceedings of the Board of Revenue, dated 8th February 1869 :—

Read G. O., dated 2nd December 1868, No. 3,018.

The Board have carefully considered the several suggestions made by the Superintendent of Revenue Survey regarding the advances on account of demarcation expenses, but they do not understand why the advances should be regulated by the Beriz of a talook. It seems to them that the estimated expense of the demarcation should be the basis. They request Colonel Priestley will be good enough to explain this point, and also to state, in the event of this basis being adopted, how he would propose to proceed, when the amount is exceeded, without stopping work.

No. 424. Order thereon, 23rd February 1689, No. 467.
