Public Works Commission.—Captain J. Mullins, Consulting Engineer for Irrigation Company, appointed a member.

Govt. of India, Public Works Department.

REVENUE.

To

CAPTAIN J. MULLINS, R. E.

&c. &c. &c.

Sir,

I am directed to inform you that the Governor General in Council has appointed a Commission to investigate and report upon the organization of the Madras Irrigation and Canal Company, and certain other questions connected therewith.

2. The Commission will consist of the following gentlemen:—

Captain J. Mullins, R. E.

Captain Dyas, Royal Engineers.

Mr. [illegible], Civil Engineer.

3. The Commission will assemble at Madras on the 1st March next, and will proceed to Trichinopoly, Tanjore, and Cuddalore, and will visit the works of the Madras Irrigation and Canal Company, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

4. The Commission will then proceed to Bellary, Cuddapah, Nellore, and Madras, and will visit the works of the Company in those districts, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

5. The Commission will then proceed to Bombay, and will visit the works of the Company in the Bombay Presidency, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

6. The Commission will then proceed to Calcutta, and will visit the works of the Company in Bengal, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

7. The Commission will then proceed to Allahabad, and will visit the works of the Company in the North-Western Provinces, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

8. The Commission will then proceed to Lahore, and will visit the works of the Company in the Punjab, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

9. The Commission will then proceed to Simla, and will visit the works of the Company in the Himalayas, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

10. The Commission will then proceed to Calcutta, and will visit the works of the Company in Bengal, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

11. The Commission will then proceed to Madras, and will visit the works of the Company in the Madras Presidency, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

12. The Commission will then proceed to Bombay, and will visit the works of the Company in the Bombay Presidency, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

13. The Commission will then proceed to Calcutta, and will visit the works of the Company in Bengal, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

14. The Commission will then proceed to Madras, and will visit the works of the Company in the Madras Presidency, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

15. The Commission will then proceed to Bombay, and will visit the works of the Company in the Bombay Presidency, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

16. The Commission will then proceed to Calcutta, and will visit the works of the Company in Bengal, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

17. The Commission will then proceed to Madras, and will visit the works of the Company in the Madras Presidency, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

18. The Commission will then proceed to Bombay, and will visit the works of the Company in the Bombay Presidency, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

19. The Commission will then proceed to Calcutta, and will visit the works of the Company in Bengal, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

20. The Commission will then proceed to Madras, and will visit the works of the Company in the Madras Presidency, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

21. The Commission will then proceed to Bombay, and will visit the works of the Company in the Bombay Presidency, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

22. The Commission will then proceed to Calcutta, and will visit the works of the Company in Bengal, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

23. The Commission will then proceed to Madras, and will visit the works of the Company in the Madras Presidency, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

24. The Commission will then proceed to Bombay, and will visit the works of the Company in the Bombay Presidency, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

25. The Commission will then proceed to Calcutta, and will visit the works of the Company in Bengal, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

26. The Commission will then proceed to Madras, and will visit the works of the Company in the Madras Presidency, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

27. The Commission will then proceed to Bombay, and will visit the works of the Company in the Bombay Presidency, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

28. The Commission will then proceed to Calcutta, and will visit the works of the Company in Bengal, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

29. The Commission will then proceed to Madras, and will visit the works of the Company in the Madras Presidency, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

30. The Commission will then proceed to Bombay, and will visit the works of the Company in the Bombay Presidency, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

31. The Commission will then proceed to Calcutta, and will visit the works of the Company in Bengal, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

32. The Commission will then proceed to Madras, and will visit the works of the Company in the Madras Presidency, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

33. The Commission will then proceed to Bombay, and will visit the works of the Company in the Bombay Presidency, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

34. The Commission will then proceed to Calcutta, and will visit the works of the Company in Bengal, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

35. The Commission will then proceed to Madras, and will visit the works of the Company in the Madras Presidency, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

36. The Commission will then proceed to Bombay, and will visit the works of the Company in the Bombay Presidency, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.

37. The Commission will then proceed to Calcutta, and will visit the works of the Company in Bengal, and will take the evidence of the Directors and Engineers of the Company, and of such other persons as may be necessary.
