Sir,

I have the honor to report for the Board's information, the death on the night of the 8th Instant, of Maoté Mummudi Appoo Row, Poligar of Ankusagherry in the Dosscoor Talug.

2. The Sub-Collector reports that on hearing of the illness of the late Poligar he sent the Tahsildar of Dosscoor to Ankusagherry with instructions to seal up, in the event

event of the Poligar's death, the circar or the state property of the Poliput. On the death of the Poligar the Tahsildar reported that, as the public and private property was mixed up together, he had sealed up the whole, but that after the funeral ceremonies were over, he would make out and send an inventory of the former (public). I have written to the Sub Collector requesting he will lose no time in removing the private property from restraint.

3. As regards the deceased's heirs it appears from the Sub Collector's letter that he has left only a daughter. As soon as full report is received, I shall address the Board again on the subject.
