Irrigation works in certain Districts.—

Order, in Public Works Department, on Board's

enclosure relating to them, recorded

Proceedings of the Madras Government, Public Works Department, 19th February 1869.

No. 506. Read the following letter from the Acting Secretary to the Board of Revenue, to the Secretary to Government, Public Works Department, dated Madras, 20th January 1869, No. 335 :—

1. Adverting to the Order of Government, dated 6th February 1864, No. 381, I am directed by the Board of Revenue to submit the accompanying usual Statement, showing the number of irrigation works, the revenue dependent thereon, the number requiring repair, and the amount required to be laid out during the official year 1869-70. This list comprises the above particulars for only fifteen districts therein named.

* Nellore. Madras.

2. The returns from the other districts* have not been as yet received. They will be submitted separately as soon as they reach the Board's Office.

3. The following abstract exhibits the amount estimated by Collectors and that sanctioned in the Public Works Budget for three years. From this it will be observed that provision made for the repair of irrigation works for the year 1868-69 also is, in many districts, much below the actual requirements :—
