To the Secretary to the Government of Madras, Public Works Department.

Extract from the Proceedings of His Excellency the Right Honorable the Governor General of India in Council, in the Military Department,—Fort William, under date the 24th December 1868.

Read :—

Communication from the Home Department, No. 4,856, dated 18th December 1868, with enclosures, intimating that the services of Lieutenant-Colonel H. D. Manning, District Superintendent of Police, North-Western Provinces, who had desired to revert to Military duty on his promotion to that rank, had been placed at the disposal of the Military Department.

Read also :—

Letter No. 1,078 of this date, to the Adjutant General, intimating the above to the Commander-in-Chief, and enquiring whether His Excellency can offer to Lieutenant-Colonel Manning, Military employment suitable to his rank.

Resolution.—The Right Honorable the Governor General in Council observes that the Right Honorable the Secretary of State has recently consented to the proposal that, instead of allowing Officers of the Staff Corps the option of resigning their appointments in the Civil Department when their consolidated salary or total receipts in that Department are less than the Staff Corps pay of their Military rank, the difference between those amounts shall be passed to them and charged to the Military Department; there is therefore no longer any reason for accepting such resignations of appointments in virtue of which, in many cases, the Officers have been admitted into the Staff Corps.

2. Nor is it, in the opinion of His Excellency in Council, expedient to encourage the resignations of their appointments by Officers who may desire to revert to Military duty, until it shall have been ascertained whether such employment is actually and at once available for them.

3. His Excellency in Council therefore is pleased to modify the orders in this Department, No. 1, dated 1st August 1864, by deciding that, unless in cases of misconduct or unfitness for their work, no Officers of the Staff Corps shall be allowed to resign an appointment in any Department until the consent of Government in the Military Department, on whose hands the Officer resigning must of course be thrown, shall have been obtained to such resignation.
