*Proceedings of the Madras Government, Revenue Department,
4th March 1869.*

No. 98. Read the following Proceedings of the Board of Revenue, dated 5th February 1869, No. 803 :—

Read the following letter from the Collector of Salem, to the Acting Secretary to the Board of Revenue, dated 5th November 1868, No. 261.

1. I have the honor to request sanction for deducting from the Peishcush of the Thathavully Muttah, in the Tripatore Talook, the sum of Rupees 2-7-0, the amount which is now annually paid to the Muttahdar, on account of an Inam resumed under the Order of Government, dated the 11th March 1859, No. 304, conveyed in the Board's Order of the 15th idem, No. 899. The amount (Rupees 2-7-0) is the Jodigy included in the assets of the Muttah. Since the resumption of the Inam in 1859, the amount is annually paid to the Muttahdar out of the full assessment on the Inam (Rupees 12-13-11) collected by Government. The most convenient course would be to deduct, once for all, the amount from the Peishcush, and for this purpose I now ask sanction.

2. The present Peishcush of the Muttah is Rupees 2,548-15-7; the reduction sought for will make it Rupees 2,546-8-7.

SUBMITTED TO GOVERNMENT, with the Board's recommendation that sanction may be granted for reducing the Peishcush of the Thathavully Muttah from Rupees 2,548-15-7 to Rupees 2,546-8-7, as the difference, namely, Rupees 2-7-0, is the Jodi of an Inam resumed under the Order of Government, dated 11th March 1859, No. 304, which is included in the assets of the Muttah.

No. 99. ORDER THEREON, 4th March 1869, No. 562.

 Under date the
 Read the following Pro.
 of the Bd. of Rev. -
 A. C. 5th Feb. 1899 No. 803.

The first are of opinion
 that the more convenient
 course would be to add
 to the peshcush of the
 Muttah the full or
 difference between the
 full assessment of the Inam
 land and the peshcush (or
 pesh) but the ^{Board to} collected by

the Muttahdar, leaving
 the latter to collect the
 full assessment from the
 land in future.

The Collector should be
 requested to submit his opinion
 on the suggestion through the
 Board of Revenue.

The course here proposed
 will, in effect, be to raise the
 amount of peshcush due on
 the Muttah (3 annas) under
 the permanent settlement. -
 Can we do that? I doubt it.
 Any how, we may be eating the
 increase on a bad tenant whose
 lands, moreover, being Inam,
 are very likely of inferior quality
 and not such as will ordinarily
 yield the percentage of their
 value. The more ample made of
 appointing the matter will be
 to lower the peshcush by 11.2-7-
 the peshcush amount. Well
