Proceedings of the Madras Government, Revenue Department, 3rd March 1869.

No. 56. Read the following Proceedings of the Board of Revenue, dated 27th January 1869, No. 525:—

Read the following letter from the Collector of Tanjore, to the Acting Secretary to the Board of Revenue, dated 17th December 1868, No. 259.

1. I have the honor to enclose, for the sanction of Government, an estimate amounting to Rupees 18,000, for improving and metalling Road No. 4, from Jemboogacovery to Trivady on Road No. 2. The estimate is entered in the Supplemental Budget of the Road Fund for the current year.

2. The road is a very important one, since it connects Trivady, a large town in the best paddy growing part of the district, with Tanjore and the Railway Station.

3. Out of the estimate of Rupees 18,000, Rupees 3,044-4-0 have to be paid to the Municipality for tolls, the bandies having to pass through Tanjore. I do not see how this can be avoided, but I have called on the Municipality to consider whether they cannot reduce the rate of tolls, since the metalling of roads leading to Tanjore must confer a large benefit to the Municipality and the Town of Tanjore.

Enclosure No. 1.—Estimate.

The estimate, amounting to Rupees 18,000, received with the Collector's letter, will be submitted for the sanction of Government.

2. The work appears as Item No. 8 in the current year's Supplemental Road Fund Budget, submitted to Government with the Board's Proceedings, dated 13th November 1868, No. 8,037.

3. The Board beg to draw the attention of Government to the circumstance mentioned in paragraph 3, that 3,000 Rupees out of the estimated cost is on account of Municipal tolls.

No. 57. Order thereon, 3rd March 1869, No. 543.

2. The Board will report the result of the reference made by the Collector to the Municipal Commissioners as to reducing the rate of tolls on carts carrying materials for the making of roads leading to Tanjore.
