Nos. 150-151.

Kurnool and Cumbum road.—Order regarding the grant of funds, recorded.

Proceedings of the Madras Government, Public Works Department, 26th February 1869.

No. 684. Read the following Proceedings of the Board of Revenue, dated 25th January 1869, No. 454 :—

Read again letter from the Collector of Kurnool, dated 14th October 1868, No. 358, recorded in Board's Proceedings, dated 14th November 1868, No. 8,048.

Read also the following letter from the Collector of Kurnool, to the Acting Secretary to the Board of Revenue, dated 9th December 1868, No. 423.

Adverting to Board's Proceedings, No. 8,048, dated 14th November 1868, I have the honour to forward, for your information, the enclosed letter from the Superintending Engineer, 3rd Division, stating that he has no funds for the purpose alluded to.

Enclosure No. 1.

From the Superintending Engineer, 3rd Division, to the Collector of Kurnool, dated Camp at Goolchervo, 1st December 1868, No. 3,922.

1. In reply to your Memorandum, No. 324, of 24th ultimo, forwarding Board's Proceedings, No. 8,048, of 14th idem, I beg to observe that both the Board and you do not seem to be aware that I have no funds for the purpose alluded to.

2. In Government Order, No. 1,748, of 3rd June 1868, Government, when approving of the estimates for repairing a portion of the Kurnool and Cumbum road in the fourth, sixth, seventh, and eighth miles, and some miles on the Kurnool and Bellary road, stated : " but no money being available, the execution of the works must be deferred."

3. In my docket, No. 2,509, of 10th October 1868, I pointed out to you that Government had not been able to allot money for completing the Kurnool and Cuddapah road between Iyaloor and Chagulmurry, the estimate for which was sanctioned, if I remember rightly, in November 1867; and I am at a loss to understand from whence the Board and you think I can provide funds.

The foregoing papers will be submitted for the consideration and orders of Government.

Government Order, Revenue Department, dated 27th January 1868, No. 219.
Do. 11th November 1868, No. 2,831.

2. The Kurnool and Cumbum road has been declared to be Imperial in the Orders marginally noted.

3. The Board were under the impression that the Superintending Engineer might be able to appropriate funds from other works for the most emergently needed of the repairs to this road; but this, it seems, is not the case.

Proceedings of the Board of Revenue, dated 14th November 1868, No. 8,048.

Read the following letter from the Collector of Kurnool, to the Acting Secretary to the Board of Revenue, dated 14th October 1868, No. 358.

• No. 861, dated 3rd October 1868.

† No. 2,509, dated 10th October 1868.

1. I have the honour to forward a copy of my letter• to Major Moberly, on the subject of repairs necessary on a portion of the Kurnool and Cumbum road, and his reply.†

2. I took upon the repairs as very important, and shall feel obliged if the Board will make an application to Government for the money required. At present the road-dam over the Balagapur Vagu is certainly dangerous, as there are large holes between the slabs of stone, and great care is required for driving cattle over it in safety.

Proceedings of the Madras Government, Public Works Department,
26th February 1869.

ENCLOSURE No. 1.

From the Superintending Engineer, 3rd Division, to the Collector of Kurnool, dated Bellary, 10th October 1868, No. 2,509.

Letter, No. 861, of 3rd instant.

1. As regards paragraph 2, informs that the estimate therein referred to has been sanctioned, but no funds have been allotted.

2. As regards paragraphs 3 and 4, further informs that estimates were called for some time ago. Sees, however, no chance of getting funds allotted, though the estimates may be sanctioned, as no funds are procurable for estimates sanctioned some years ago, namely, completing the Nundy-canama Ghaut in the sixty-eighth and sixty-ninth miles, and road from Iyalur to Chegulmurry.

(True Copy.)

(Signed) T. A. N. CHASE,
Collector.

THE Collector is requested to ascertain from the Superintending Engineer whether he cannot provide funds this year for the repair of the road, and any other very emergent purposes.

2. The road has recently been declared Imporial by Government, and funds will, doubtless, be provided in next year's Budget.
