*Proceedings of the Madras Government, Revenue Department,
6th March 1869.*

Dated 6th March 1869, No. 590.

No. 154.

Separate Revenue, No. 8.

Salt.

1. The Right Honorable the Governor in Council has lately been informed that the question of adopting measures in the direction of assimilating the rate of the Salt-tax all over the Empire is now under the consideration of the Home Government, and of the Government of India, and in anticipation of a reference on the subject, the Government resolve to request the Board of Revenue to consider and report, whether it may not be possible to make some addition to the present price without diminishing the consumption, or hindering the natural increase of consumption.

2. Before replying to this reference, the Board are requested to ascertain the opinions of the Officers, noted in the margin, on the subject, and should submit them, with their own remarks, for the information of Government. These Officers should be required to forward their reports to the Board, at latest by the end of the present month, and the Board's report, which should be accompanied by the Minutes of the individual members, should reach Government not later than the 15th proximo.

diminishing the consumption
or hindering the natural
increase of consumption.

Before replying to
this reference the Board
should ascertain the
opinions of the Officers
invited in the margin
on the subject, and should
submit them with their
own remarks for the
information of Govt. These
Officers should be required
to make forward their
reports to the Board, at
least ~~in the 20th~~ ^{20th} ~~pross~~ ^{pross},
and the Boards report
which should be accompanied
by the minutes of the
individual members;
should reach Govt not
later than the 30th ~~pross~~ ^{pross}.

~~These Officers have been
little or no experience of
said service perhaps the
names of Mr Ballard,
Sykes and Reade might
be substituted for them, as
the opinion of all the
of Govt. Agents must perhaps
be taken~~

R/S

I would return the
his names before
proposed and ask
Mr Ballard to
by her. As with his
opinion of intelligent
and common sense
who have served in the
in time as well as those
of men who have served
on the coast.
