Read the following letter from the Collector of Trichinopoly, to the Acting Secretary to the Board of Revenue, dated 19th January 1869, No. 12.

Board's Proceedings, 18th June 1868, No. 4,523.
Acting Collector's letter to the Board, No. 1984, 13th October 1868.
My letter to the Board, No. 214, 4th November 1868.
Board's Official Memorandum, dated 25th October 1868.

1. Adverting to the correspondence as per margin, I have the honor to forward the accompanying letter from the Superintending Engineer, No. 1,014, dated 21st ultimo, on the subject of providing for the maintenance of the road No. 3, from Trichinopoly to Caroor, from the District Road Funds for the current year.

2. This work does not appear either in the original or revised Road Fund Budget, sanctioned by Government, in their Order, No. 2,879, dated 16th November 1868, Revenue Department.

3. I would propose that the amount required, namely, Rupees 8,166, be spared from the sum of Rupees 10,000 allotted to the Railway feeder* from Teruverambur to Vennar head.

* Item No. 5, revised Part I., of Road Fund Budget for 1868-69.

4. As our available District Road Funds will chiefly be consumed in the maintenance of the existing Local lines, and those recently transferred from the Imperial Budget, we can hardly complete, within any reasonable time, the roads we have already undertaken. I would, therefore, defer the commencement of the Railway feeder above referred to, until the roads already commenced are completed.

From the Superintending Engineer, 6th Division, to the Collector of Trichinopoly, dated Tanjore 21st December 1868, No. 1,014.

With reference to paragraph 5 of the Revenue Board's Proceedings, No. 2,232, dated the 27th March last, and paragraph 3 of the Government Order thereon, No. 1,315, dated the 29th April, I have the honor to request you will be good enough to call the attention of the Revenue Board to the necessity of providing from Local Funds for the maintenance of road, No. 3, from Trichinopoly to Caroor ; the amount, Rupees 8,166, allotted for the road in the Imperial Budget having been withdrawn in the above Government Order.

2. A sum of Rupees 3,722-2-1 has been expended up to the end of November, for the maintenance of the Caroor road, from the general allotments of the District ; but as the year is drawing to a close, it is necessary that a specific allotment should be made for the road at an early date.

The proposed transfer is sanctioned.

2. The Board regret the postponement of the Railway feeder ; but under the circumstances, there seems no alternative at present. The Collector will endeavor to provide funds for it in the Budget of 1870-71.
