Proceedings of the Madras Government, Revenue Department, 10th March 1869.

No. 260. Read the following Proceedings of the Board of Revenue, dated 10th August 1868, No. 5,785 :—

Read the following letter from the Acting Collector of South Canara, to the Acting Secretary to the Board of Revenue, dated Mangalore, 10th July 1868, No. 648.

In reply to Board's Proceedings, dated the 20th June 1868, No. 4,592, I have the honor to submit copy of a letter from my Salt Deputy Collector Mr. Ball, which I have every reason to believe is correct.

ENCLOSURE No. 1.

From the Deputy Collector, to the Acting Collector of South Canara, dated Mangalore, 1st July 1868, No. 19.

1. With reference to the Proceedings of Government of the 5th ultimo, No. 1,574, Revenue Department, referred for report by the Board of Revenue, under endorsement, dated the 20th idem, I have the honor to inform you that, although the Sind salt is in appearance far superior to the Bombay article, being of a whiter color and larger grained, yet it is not liked by either our own people or the inland traders, on account of its being bitter.

2. In February 1867, an Arab, named Abdul Rahaman, brought a quantity of this salt as ballast, and failing in his endeavors to induce the contractor to purchase it, he, as an experiment, landed 105 Indian Maunds on payment of the Import duty of Rupees 1-9-0 per maund, and not finding a ready market for it, took the remainder to Alleppy.

3. I am also informed that some fifteen or twenty years ago, a Guzerat merchant made a similar attempt, and that after the salt had remained in store during the whole monsoon, he was obliged to re-ship it for some other port.

SUBMITTED to Government, with reference to the Government Order, dated 5th June 1868, No. 1,574.

No. 261. ORDER THEREON, 10th March 1869, No. 642.
