No. 269. Read the following Proceedings of the Board of Revenue, dated 4th February 1869, No. 756:—

Read the following letter from the Acting Collector of South Canara, to the Acting Secretary to the Board of Revenue, dated Mangalore, 16th December 1868, No. 1,259.

1. With reference to the Proceedings of the Board, dated the 20th ultimo, No. 8,221, communicating the Orders of Government by which the provision made for the repairs of Revenue buildings and the District Tappal huts has been struck out by Government, I have the honor to bring to their notice that expenditure,† as per margin, has been already incurred in this district in the annual monsoon repairs of the several buildings during the last wet season, falling within the current official year, without which repairs, the buildings could have ill-stood against the heavy monsoon prevailing on this coast between May and September. There is now scarcely anything more to be done in the above respect, except after the close of the present official year, when fresh preparations are to be made again to meet the next south-west monsoon.

	Rs.
* Revenue buildings	300
Miscellaneous	200
Total ...	500

	Actual to 30th November. Rs.	A.	P.
† Revenue buildings	309	4	0
Sea Customs	156	11	2
District Tappal huts	37	8	1
Regular Tappal	71	9	9
Total ...	575	1	0

2. Similar repairs to the huts, belonging to the regular Postal Runners, have also been incurred by this department, as specially authorized by the Board in their Proceedings, dated 28th October 1868, No. 7,701.

3. As expenditure has thus been actually incurred by this department, it now remains with the Board, I would submit, to procure the sanction of Government to admit the charge in the Revenue Department for this year.

4. The present expenditure may, I think, be met from the unappropriated balance of Rupees 13,878, referred to in paragraph 2 of the Government Order, in the absence of any other provision that I am aware of.

Submitted to Government, with the Board's recommendation that sanction may be granted for debiting the sum of Rupees 575-1-0, incurred on account of repairs to Revenue, &c., buildings, against the savings in the General Budget under their respective heads, as there is no other provision in the Budget from which the charge could be met; Government having disallowed the sums provided by the Board for Petty Construction and Repairs under the several heads of Land Revenue, Customs, and Miscellaneous.
