*Proceedings of the Madras Government, Judicial Department,
3rd March 1869.*

No. 32. Read the following letter from the Subsidiary Jail Committee, to the Chief Secretary to Government, Fort Saint George; dated Madras, 6th February 1869, No. 261.

With reference to our letter, No. 130, dated 27th May last, we have the honor to report on the Subsidiary Jail requirements of the Stations marginally noted in the District of Madura.

Pulney.	Vadasundoor.
Peraccolam.	Madura.
Melur.	

2. PULNEY, (paragraph 59 of former Report).—The present Taluq Cutcherry and Subsidiary Jail, plan A, "is surrounded on all sides by Native houses, and seems "itself to have been formerly a Native private house: it is not possible for fresh air to "get inside: there is no room for making any addition."

3. The wards are but two in number, and capable of accommodating only four persons in both.

4. We have consulted the Magistrate, and he concurs with us that a new Cutcherry and Jail of four wards on the standard plan No. 1, with the usual outbuildings, should be erected at this station.

5. Plan B is the site selected, and on that we have indicated the positions which the various buildings should occupy.

6. Plan C is a tiled Police Station on the opposite side of the road to the present Cutcherry, and requires no remarks from us.

7. PERACOLAM, (paragraphs 61 to 63.)

8. Plan A enclosed is the site selected by the Local Officer for the new buildings, and we have indicated their positions on it.

9. MELUR, (paragraphs 35 and 38).—A difficulty has arisen at this station for a site on which to locate the subsidiary buildings. We recommend that the Collector's proposal given below may be sanctioned:—

"The house on the north of the Cutcherry marked† in the plan belongs to one "Chetty Monachif. The ground on which "it has been built originally belonged to "Government, and was granted to her

"gratis. It measures 75 feet from east to west, and 30 feet from north to south. "The owner is willing to sell the house to Government at the value, which is estimated at Rupees 250."

10. VADASUNDOOR, (paragraphs 57 and 58.)

11. The site for the new Cutcherry and Subsidiary Jail on the standard plan No. 2, is herewith submitted, plan A. Its situation appears to be good and close enough to the town to be quite accessible, and at the same time free from overcrowding.

12. At MADURA we propose, as suggested in paragraph 34 of our former Report, to utilize part of the old Zillah Jail for a Subsidiary Jail, for the short-sentenced prisoners of the Madura Taluq, and also for all persons under trial before the Local Magistracy at Madura.

13. Should the Jails at Melur or Tirumungalam be at any time overcrowded, there will be room in the Madura Jail for their accommodation.

14. We have shown in yellow on the plan the arrangements we propose. They are to divide one of the large wards into four for males, and to take up part of another for two wards for females.

No. 33. ORDER THEREON, 3rd March 1869, No. 338.

The Committee on Subsidiary Jails recommend in their report above recorded the erection—

At Pulney of a new Cutcherry and Jail of four wards on standard plan No. 1, with the usual Subsidiary buildings; and

At Madura to utilize part of the old Zillah Jail for a Subsidiary Jail, by dividing one of the large wards into four wards for males, and to take up a part of another for two wards for females.

2. The Committee also submit plans of the sites selected for the Cutcheries at Pulney and Vadasundoor, and for the new buildings at Percacolum and Melur.

3. The Government sanction the recommendations of the Committee in respect of Pulney and Madura; and approve of the sites selected at Pulney, Vadasundoor, Percacolum, and Melur.

4. The Committee's report, and the plans received with it, will be transferred to the Public Works Department, with a view, if funds are available, to instructions being issued for the erection of the new Cutcherry at Pulney, and for the alterations in the old Zillah Jail at Madura being carried out at once.
