Proceedings of the Madras Government, Revenue Department,
13th March 1869.

No. 357. Read the following Proceedings of the Board of Revenue, dated 25th February 1869 :—

Read the following letter from the Government Pleader, Madras, to the Acting Secretary to the Board of Revenue, dated Madras, 11th February 1869, No. 220.

1. In further continuation of my letter, dated 14th January 1869, No. 203, I have the honor to request instructions as to the payment and receipt of costs in the appeals to the Privy Council in the Ramnad case. In the appeal in which the Collector of Madura was Appellant, he has to pay £723 (Rupees 7,503-9-1) costs, and in the appeal in which he was Respondent, he has to receive £359-15-8 (Rupees 3,724). Government Promissory Notes for Rupees 4,000 were deposited on behalf of Government as security for costs on filing the appeal, and these are now with the Registrar. I request that I may be informed whether it is wished that these Promissory Notes should be applied in part payment of the above sum of Rs. 7,503-9-1, or that the amount should be paid otherwise, and the Notes returned to the Accountant General, also whether it is wished to pay the costs here or in Madura.

2. Of the above sum of Rupees 3,724 which the Collector has to receive, about Rupees 2,067 can be received here out of the security deposited by the Appellants, and the rest will have to be recovered in Madura. It might be convenient to hand over the amount which may be received here at once, in part payment of the costs which the Collector has to pay. As soon as I receive instructions as to the wishes of Government in the above respects, I shall communicate them to the Registrar of the High Court, Appellate Side, and the order for execution will be drawn up in accordance therewith.

Submitted for the orders of Government.

2. The Board have obtained a spare copy of the Government Order, 4th February 1865, from which it appears that the Promissory Note, referred to by the Government Pleader, was therein directed to be purchased by the Accountant General.

3. The Board suggest that the Government Pleader be now authorized to realize the amount of the Note, adjust the costs payable and receivable by Government, and refund any balance that may remain.

No. 358. Order thereon, 13th March 1869, No. 688.

Miscellaneous.

The Board's suggestion is approved.
