Proceedings of the Madras Government, Revenue Department, 15th March 1869.

No. 363. Read the following letter from the Officiating Conservator of Forests, to the Secretary to Government, Revenue Department, dated Camp at Nagercoil, 9th February 1869, No. 1,148 :—

With reference to paragraph 3 of the Government Order, No. 148, of the 19th ultimo, I have the honor to inform you that, the Overseers of Neilumbur and Wynaad have never been allowed any Travelling Allowance as they are not called upon to travel; the former never leaves the Plantations, and the latter is in charge of felling operations in a contracted area. The Overseer in the Annamallay forests has never hitherto received any fixed travelling allowance, as he has generally been stationed in the Annamallay where his work lies, he has, however, drawn Rail charges when he has had to proceed to the Coast to hand timber over to the Bombay Agents; extended operations make it often necessary for him to travel about now, and I think he might be allowed a travelling allowance of Rupees 30. The Overseer of Chenat Nair has never drawn a fixed travelling allowance, but he draws Rail charges when travelling by rail; he might be allowed a fixed allowance of Rupees 30 as he has a considerable amount of travelling.
