Dated 17th March 1869

Not to be folded or roughly handled

No. 434. Read the following letter from the Honorary Secretary, Government Farm, to the Acting Secretary to Government, Revenue Department, Fort St. George, dated Madras, 22nd February 1869 :—

1. I am desired by the Committee of the Government Experimental Farm, Sydapet, to forward the accompanying plan for a Bungalow, which, they recommend, should be built for the Superintendent, at the Farm buildings.

2. The Committee's reasons for recommending the construction of the Bungalow are, as follows :—

3. The Bungalow on the Farm in which previous Superintendents lived, is quite unfit for the residence of an officer of Mr. Robertson's station.

4. Mr. Robertson is, by his Agreement, entitled to Rupees 30 a month, House rent, or a proper house.

5. The Bungalow on the Farm is firstly, most inconveniently situated, being a mile from the Farm buildings, and secondly, Mr. Robertson could not possibly have lived in it.

6. Under these circumstances, the Committee have transferred the bungalow to the Commissary General, for the Butcher, who will be appointed to the slaughter house, and the Government can judge of its quality, by the amount at which it has been valued, Rupees 1,065.

7. Mr. Robertson, though only paying Rupees 20 for the house he now lives in, on the Mount Road, is most anxious to leave it, and live at the Farm buildings, as he considers it impossible to superintend work properly, and in the way he would prefer, if he lives away from the Farm Steading itself.

8. The house which was built for the Commissariat Biker, cost about Rupees 3,600. The Butcher is provided with a house for Rupees 1,065, a saving of Rupees 2,535, to Government. If the Bungalow is built for Mr. Robertson at the Steading, the payment of House-rent, Rupees 30, monthly, will be saved.

9. The cost of the Bungalow, of which the plan is sent, with Cook-room and Stable, will not exceed Rupees 4,500. The Committee therefore hope, that considering the saving shewn in paragraph 8, the Government will sanction its construction, which can be paid for in the next Financial year.

No. 435. ORDER THEREON, 17th March 1869, No. 725.

Miscellaneous.

1. Agreeably to the recommendation of the Sydapet Farm Committee, the Right Honorable the Governor in Council sanctions the estimate for the erection of a house for the Superintendent, amounting to Rupees 4,500.

2. The Committee will be requested to arrange for the erection of the building by contract, and the Accountant General will be instructed to advance so much of the funds as may now be required from the savings made in the current years' Budget.
