Proceedings of the Madras Government, Revenue Department, 17th March 1869.

No. 440. Read the following Proceedings of the Board of Revenue, dated 1st March 1869, No. 1,323 :—

Read the following letter from the Acting Collector of Cuddapah, to the Acting Secretary to the Board of Revenue, dated 4th January 1869, No. 1.

1. In paragraph 44 of their Proceedings of the 3rd April last, No. 2,457, the Board notified their approval of my predecessor's proposal to sell the Public Bungalow at Chilmakur and to retain those at Settiwaripally and Tallapoddutoor until the Railway should be opened to the frontier of the Bellary District, but directed that the subject should be brought forward in a separate communication.

2. No further step having been taken beyond a call upon the Superintending Engineer for estimates for the repair of these very bungalows, I have the honor, after consultation with the Superintending Engineer, to request sanction to transfer the Settiwaripally Bungalow to the Public Works Department, as an Overseer's residence and Store-shed, and to pull down and dispose of the materials of those at Chilmakur and Tallapoddutoor.

3. If the Board feel themselves at liberty to permit the use of such of the materials as can be made available for the proposed Railway Choultry at Yerraguntla, I request sanction to that effect; otherwise, the whole of the materials should be sold in small lots.

4. In the meantime, as the retention of these bungalows, now that the line is open to Tadpatri, is a useless burden upon the Fund, I have directed the whole of the furniture, &c., to be sent in to head-quarters for disposal, and the establishments to be at once discontinued, the safe custody of the buildings being entrusted to the village authorities.

SUBMITTED for the Orders of Government.

2. The Board recommend that the Acting Collector be authorised to pull down and dispose of the materials of the Public Bungalows at Chilmakur and Tallapoddutoor, as the Board have already represented, in paragraph 5 of their letter to Government, dated 15th December 1868, No. 8,777, that a Choultry at Yerraguntla was unnecessary, as well as beyond the means of the District Road Fund.

3. The Board approve of the Acting Collector's proceedings reported in paragraph 4.

No. 441. ORDER THEREON, 17th March 1869, No. 728.

Miscellaneous.

The recommendations of the Board of Revenue are sanctioned. Their letter under date 15th December 1868, No. 8,777, was disposed of in the G. O., dated 18th February 1869, No. 425.
