No. 467. Read the following letter from the Superintendent, Government Chinchona Plantations, Ootacamund, to the Acting Secretary to Government, Revenue Department, Fort St. George, dated Ootacamund, 15th February 1869, No. 252:—

1. I have the honor to acknowledge the receipt of the Ord[illegible] vernment, under date the 2nd February 1869, No. 279, and in accordanc[illegible] g to submit a Tabular Statement exhibiting the proposed increase of salary to the Assistant Superintendent at Dodabetta, as the present salary of this appointment, is inadequate to the responsibility. The increase to have effect from 1st April 1869.

2. The total decrease in the Jail Establishment owing to its abolition is Rupees 353; while the increase in the temporary establishment is Rupees 28.

3. The establishment in the Tabular Statement under the head of "Temporary Department," will be required for about five years, or until the Plantations are established.

No. 468. ORDER THEREON, 18th March 1869, No. 740.

Miscellaneous.

1. The Government in their Order dated 28th April 1868, No. 1,135, called upon Mr. McIvor to report for what periods the services of the two Assistant Superintendents and five Overseers borne on the temporary establishment would be required; and in his reply, dated 18th June 1868, No. 76, he stated that one of the Assistants would not be required after 31st August 1868, and that the Overseers would be dispensed with on the 31st December following. Thus according to his own shewing he was to retain only one Assistant Superintendent after December 1868; but in his letter dated 8th January 1869, he stated without assigning any grounds whatever that it would be necessary to retain two of the Overseers besides the Assistant, and he was called upon to shew the necessity for the retention of these servants and to submit a Tabular Statement in the prescribed form. Mr. McIvor with his letter now before Government submits the Tabular Statement without the information specially called for. The Overseers who were all to be dispensed with in December last, are now stated to be required for about five years or until the plantations are established, and no reasons are assigned for this change in the Superintendent's proposals.

Order dated 28th January 1869, No. 255.

2. Under these circumstances, the Right Honorable the Governor in Council resolves to return the Tabular Statement to the Superintendent, and to direct him to submit a more complete answer to the Orders of Government.

(True Extract.)

Acting Secretary to Government.
