No. 538. Read the following Proceedings of the Board of Revenue, dated 8th February 1869, No. 851 :—

Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Tamberacherry, 16th January 1869, No. 12 A.

1. Adverting to the Board's Proceedings, dated the 23rd July last, No. 5,384, on Government Order, dated the 14th idem, No. 1,959, I have the honor to state that no waste lands are available for the endowments of the Chuttrums noted.

Teriot.
Kalpetta.
Sultan's Battery.
Manjeri.
Nilambur.

2. I beg, however, to submit Statement of certain Escheat land in the Ernad Talook, the assessment and rental on which would suffice to give Rupees 60 per annum to each of the Chuttrums noted. Both are in the Ernad Talook. The Manjeri Chuttrum has been open for some six months past. The Nilambur Chuttrum is in progress, and will shortly be completed.

1. Manjeri.
2. Nilambur.

3. The Government Order sanctions the endowment of three other Chuttrums in addition to the above-mentioned. Of these, the only one completed is that at Teriot. Chuttrums are in progress at Lakadi (instead of Kalpetta) and Sultan's Battery, and will, it is hoped, be completed in the course of two or three months. Besides the above, a Chuttrum has been completed, (and is now most useful,) at Nadghany, the head of the Karkúr Ghaut; and one is nearly completed, and will be opened immediately at the head of the Peria Ghaut.

1. Teriot.
2. Kalpetta.
3. Sultan's Battery.

4. If the course recommended in paragraph 2 is approved, I will submit Statements, without delay, of Government lands in Wynaad or elsewhere,* now yielding assessment and rental sufficient to provide Rupees 60 per annum, for each of the Chuttrums noted.

Teriot.
Sultan's Battery.
Peria.
Nadghany.
Lakadi.

5. A few other Chuttrums will be built before long I hope; and they will be reported upon for endowment in due course. I would suggest that all the proceeds assigned on this account should be carried to a Chuttrum Endowment Fund under Local Funds, and a Debit and Credit Account kept on with other Local Funds.

6. In such case, it will not matter whether the lands assigned are in the same talook or vicinity as the Chuttrums which they endow, and arrangements for the provision of the Endowment Fund can then easily be made. I beg instructions on this point.

* It would be more convenient to assign lands in Ernad or Walawanad, as the Wynaad assessments are more fluctuating.—*Vide* the subsequent paragraph in this letter.

ENCLOSURE No. 1.—Statement.

application

Proceedings of the Madras Government, Revenue Department, 20th March 1869.

SUBMITTED for the orders of Government, with the recommendation that the lands entered in the Statement, which forms an enclosure to the Collector's letter, be assigned as the endowment of the Chuttrums at Manjeri and Nilambur.

2. Owing to local peculiarities of tenure, Government waste is not available, and the Board recommend that the Collector be authorized to select a suitable endowment for each of the other Chuttrums in any convenient locality, and not necessarily in the same talook as the Chuttrums, and report his arrangement for the sanction of Government.

3. The proceeds of the endowment will be credited to the head "Endowment Fund," and will be managed in accordance with the established Bungalow Fund Rules as a Local Fund.

No. 539. ORDER THEREON, 20th March 1869, No. 776.

Miscellaneous.

1. Sanction is accordingly granted for the assignment of land, bearing an assessment of Rupees 60, for each of the two Chuttrums at Manjeri and Nilambur in Malabar.

2. The Government will be prepared to sanction similar endowments for the other Chuttrums to which they were promised in the Order of Government, dated 14th July 1868, No. 1,959. The applications should, as a rule, be submitted after the buildings have been completed and opened for the use of travellers.
