No. 548. Read the following Proceedings of the Board of Revenue, dated 6th February 1869, No. 831 :—

Read the following letter from the Collector of Bellary, to the Acting Secretary to the Board of Revenue, dated 9th January 1869, No. 6.

1. Adverting to the Honorable Mr. Pelly's Circular, No. 1,862, of the 16th December 1865, intimating that some of the Sub-Magistrates and Deputy Tahsildars of this district had been exempted from passing the Special Test Examination, in consequence of long service, &c., and sanctioning the payments to them of the increased rates of salary of the grades to which they were attached, I have the honor to bring the claims of Chintamanipetah Nana Row, 2nd Class Sub-Magistrate and Deputy Tahsildar of Kumply, Hospett Talook, to the favorable consideration of the Board of Revenue, in view to the sanction of Government being obtained for the increased rate of salary—namely, Rupees 70,—being allowed to him, with retrospective effect, from the date of the Order, referred to by Mr. Pelly.

2. Of the present staff of Deputy Tahsildars and Sub-Magistrates, all are in receipt of the increased rates of the salary attached to their respective grades, with the exception of Nana Row. He has been twenty-one years in Government employ, and was appointed Deputy Tahsildar and Sub-Magistrate in January 1861, simultaneously with the Sub-Magistrates of Bookapatnam and Culyandroog ; and the Sub-Magistrate of the latter station, though counting less service than Nana Row, has been drawing the increased rate of Rupees 100 from the date of the Government Order quoted, on the ground that he had officiated as Talook Sheristadar for some time. The Bookapatnam Sub-Magistrate was exempted on similar grounds, and draws the enhanced rate of Rupees 70.

3. Although Nana Row has never filled the post of Talook Sheristadar, he is as well qualified for his duties as the Sub-Magistrates referred to, who were appointed to their present grade at the same time with himself, and, considering his long service, I trust the Board will be pleased to recommend the full pay of the Office, Rupees 70, being disbursed to him. He was for a long time employed as Revenue Gumastah in the Huzoor Cutcherry, where he had ample opportunity of becoming acquainted with the details of Revenue work.

The Board resolve to submit the proposal, that Nana Row be allowed to draw the full pay of his appointment in future, for the favorable consideration of Government.

2. They cannot support the recommendation that this sanction should have retrospective effect.

No. 549. Order thereon, 20th March 1869, No. 781.

Miscellaneous.

Proceedings dated 16th October 1868, No. 2,503.

1. The Government observe that Nana Row is one of the forty-four Sub-Magistrates in the Presidency who were ordered to continue on the old rates of pay until they pass the Special Test Examination, and the recommendation made

by four Collectors for special exemption in the case of six of these persons was declined on the ground that there are probably others who have equal claims to consideration, but whose merits have not been specially noticed by other Collectors.

2. Under these circumstances, the Government do not consider it just to sanction any special exemption in the case of Nana Row alone. The Board might call for reports as to the present qualifications and services of all the Sub-Magistrates who still receive the old rates of pay, and submit a recommendation on behalf of such of them as may appear deserving of special consideration.
