ORDER THEREON, 22nd March 1869, No. 788.

Miscellaneous.

The Government observe that the expenditure on account of the Nellore Settlement party in the Quarter ending 31st December 1868, amounted to Rupees 5,053-9-5 against Rupees 4,629, the sanctioned amount for that period. The Director explains that the excess was met out of savings in the earlier portion of the year, but it is not clear whether he alludes to the Calendar or Official year. He will therefore be requested to number his future Statements thus "for the first quarter ending 30th June" and so on, in order to facilitate comparison with the figures in the Budget. The Statement for the second and succeeding quarters should shew the actual saving in the previous quarters in the case of those parties, the expenditure of which in the particular quarter, exceeds the sanctioned sum for that period.
