*Proceedings of the Madras Government, Revenue Department,
24th March 1869.*

No. 638. Read the following Proceedings of the Board of Revenue, dated 5th March 1869 :—

Read the following letter from the Collector of Tanjore, to the Acting Secretary to the Board of Revenue, dated Tanjore, 17th February 1869, No. 29.

1. I have the honor to submit, for the sanction of the Board, the accompanying Estimate for the restoration of Road No. 14, from Kodavasel to Nannilum.
2. Captain Oakes describes this line thus :—“ This road is now very low, and “ very narrow, and as it passes through a very highly irrigated portion of the “ district, it is impossible to keep the surface dry unless the road is raised well “ above the country.” Besides, it connects the stations of the Tahsildar and the “ Deputy Tahsildar.
3. Funds required for so much of the work as can be executed within the current year, can be met from the unappropriated balance already at the disposal of the Superintending Engineer from the Budget allotment of the District Road Fund.
4. At the suggestion of Captain Oakes, I have given my approval to the work being proceeded with, in anticipation of the Board's sanction.
5. The Estimate will be carried out by the Public Works Department.

THE Estimate amounting to Rupees 18,230, is submitted for the sanction of Government.

2. The Collector is requested to ascertain and state what amount is likely to be spent on the work before the close of the current official year, and point out the particular source from which the required funds can be met, to enable the Board to authorize the necessary transfer of funds.
