18th March 1869.*

No. 199. Read the following letter from the Subsidiary Jail Committee, to the Chief Secretary to Government, Fort Saint George; dated Madras, 9th March 1869, No. 298.

With reference to our letter, No. 213, of 10th November last, we have the honor to report on the Subsidiary Jail requirements of the station of Raghudrapuram in the Godavery District.

2. Raghudrapuram is the station of the Sub-Magistrate in the Rajahmundry Taluq, from which place it is distant twelve miles. Two mud huts $9 \cdot 6 \times 8$ without any ventilation are the only accommodation for prisoners. These, and the Cutcherry building, are shown on Plan A.

3. On Plan B will be seen the proposals we beg to recommend. These are the erection of four wards on the northern side of the building joined to it by a covered passage 25 feet in length. The usual Subsidiary buildings are also indicated on Plan B.

4. The compound should be fenced round, as shown by us in a yellow line.

No. 200. ORDER THEREON, 18th March 1869, No. 445.

His Excellency sanctions the construction of a Subsidiary Jail, with the necessary Subsidiary buildings at Raghudrapuram in the Godavery District.

2. The plans submitted by the Committee on Subsidiary Jails, together with a copy of their letter, will be referred to the Public Works Department, with a view, if funds are available, to orders being issued for the early erection of the Jail buildings, and also for fencing in the compound as indicated, in yellow, in Plan B.
