*Proceedings of the Madras Government, Revenue Department,
3rd April 1869.*

No. 63. Read the following Proceedings of the Board of Revenue, dated 18th February 1869, No. 1,100 :—

Read the following letter from the Collector of Salem, to the Acting Secretary to the Board of Revenue, dated Camp at Sunkerrydrug, Trichengode Talook, 4th September 1868, No. 212.

With reference to the Board's Proceedings of the 24th ultimo, No. 6,074, I have the honor to state that the whole correspondence relative to the restoration of the Nerangipet anicut, which was put in a bundle together, has been mislaid. The bundle was sent to the Deputy Collector of the Namkul Division, at his request, for perusal, but they were never returned to my Office. The Deputy Collector, Mr. Leggatt, says that he remembers having handed over the bundle to my predecessor, Mr. Arbutnot, who, however, has no recollection of the matter.

2. A list, fortunately, of the correspondence has however been kept, a copy of which is enclosed. Some of the letters referred to are in the Government and Board's Offices, while others will have to be obtained from the Superintending Engineers and the Central Offices of the Department Public Works, and from the Offices of the Collectors of Tanjore and Trichinopoly. I will take steps to obtain copies from the Offices of the Collectors of Tanjore and Trichinopoly, and also from the Office of the Superintending Engineer of this Circle.
