[illegible]

Another more recent and more popular English translation of *Commentary of India* regarding the subject of the ruling system in the form of those entitled in good name to punish, committed to Dandin's care.

*Proceedings of the Madras Government, Public Works Department,
13th September 1869.*

Read the following letters:—

No. 320. From the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 18th August 1869, No. 1,958.

1 Plan.
2 Estimates.
1 Specification.

WITH reference to G. O., No. 1,829, dated 4th June 1869, and in accordance with recommendation of the Subsidiary

Jail Committee, I have the honour to forward, for the sanction of Government, two estimates as per margin, amounting in the aggregate to Rupees 12,364, for the proposed Subsidiary Jails in the Godavery District.

2. If the Government cannot set apart an assignment of funds for this work from the special grant, it was proposed to apply for to the Government of India. I beg that the estimate may be sanctioned for entry in the Budget for the ensuing official year.

No. 321. From the same Officer, dated Dowlaishweram, 18th August 1869, No. 1,959.

1 Estimate.
1 Specification.

WITH reference to G. O., No. 1,139, dated 7th April 1869, I have the honour to forward, for the sanction of Govern-

ment, an estimate, amounting to Rupees 7,000, for constructing a Sub-Magistrate's Cutcherry and Subsidiary Jail on Standard Plan No. 3, with out-houses, &c., at Parvatipore.

2. As I am unable to point out a source from which the necessary funds may be transferred, I trust that an allotment of funds will be set apart for this work from the special grant it was proposed to apply for* to the Government of India; if not, that the estimate may be sanctioned for entry in the ensuing year's Budget.

No. 322. From the same Officer, dated Dowlaishweram, 18th August 1869, No. 1,960.

1 Estimate.
1 Specification.

WITH reference to G. O., No. 2,339, dated 17th July 1869, I have the honour to forward, for the sanction of Govern-

ment, estimates, amounting in the aggregate to Rupees 46,700, for constructing four Sub-Magistrates' Cutcheries and Subsidiary Jails on Standard Plan No. 3, with out-houses, &c., at the Stations marginally noted, in lieu of the one sanctioned in G. O., No. 1,445, dated 3rd May 1869, on Standard Plan No. 2 for Rupees 60,500.

Jeypore	...	Rs. 11,675
Mahadevipatty	...	11,675
Nundapore	...	11,675
Nowrungpore	...	11,675
		46,700

*Proceedings of the Madras Government, Public Works Department,
13th September 1869.*

2. As in the latter G. O. it is stated that Government will endeavour to allot the requisite funds later in the year for these buildings, I trust that the necessary assignments may be made. If no funds are available for this year, I beg that the estimate may be sanctioned for entry in the Budget for the ensuing official year.

No. 323. ORDER THEREON, 13th September 1869, No. 3,005.

CIVIL WORKS, No. 53.

With these papers the Superintending Engineer of the 1st Division submits estimates for the construction of the following Cutcheries and Subsidiary Jails on Standard Plan No. 3:—
Estimate.

Vizagapatam District	...	Jeypore.	Rs.
		Mahadevipatty.	46,700
		Nandepore.	
		Nowrungpore.	
Do. do.	...	Parvatipore	7,000
Godavery District	...	Prattipaud	12,300

2. His Excellency the Governor in Council approves of these estimates, but as he is unable to make any assignments of funds for the commencement of the buildings during the current official year, the Superintending Engineer will make provision for those buildings in his Budget lists for 1870-71. The sanction accorded in the order marginally noted to the estimates prepared on Standard Plan No. 2 for the Cutcheries and Subsidiary Jails in the Jeypore Zemindary will be considered cancelled.

3. As the proposed improvements to the ventilation of the Subsidiary Jail at Coringa are estimated to cost only Rupees 64, the Superintending Engineer will doubtless be able to provide that small sum from the funds at his disposal.
