Proceedings of the Madras Government, Revenue Department, 7th April 1869.

No. 130. Read the following Proceedings of the Board of Revenue, dated 2nd April 1869 :—

Read the following letter from the Collector of Madras, to the Acting Secretary to the Board of Revenue, dated Sydapet, 22nd March 1869, No. 76.

With reference to the Order of Government, Revenue Department, dated 15th ultimo, No. 391, and communicated by the Board with their Proceedings of the 18th idem, I have the honor to state that the Deputy Collector of Madras reports that the land required at Poodoopettah for the location of a Native Infantry Regiment, is bounded on the north and east by dwelling houses and paddy-fields, on the south by the Coum river road, and on the west by Marshall's road, and consists of 39 cawnies, whereof cawnies 21 grounds 9 and square-feet 1,032 are the property of Government, and the remainder, consisting of about 17½ cawnies, the property of Keyamat Dowlah and Kamrood Dowlah Bahadurs, and certain others; and that on this latter piece of land there are several buildings which, together with the fields attached to them, are valued approximately at Rupees 79,000.

2. As from the report of the Deputy Collector it also appears that there is but little chance of our getting possession of the land by amicable arrangement, I request that the sanction of Government may be obtained for at once enforcing the provision of Act VI. of 1857.

Submitted for the orders of Government, with reference to Government Order, 15th February, No. 391.

No. 131. Order thereon, 7th April 1869, No. 932.

Miscellaneous.

Under the circumstances represented in the foregoing papers, the Government authorise the land required for the location of a Native Infantry Regiment at Poodoopettah, being taken under Act VI. of 1857.

2. The Collector of Madras will be requested, in the first instance, to submit a draft of the Declaration required by Section 2 of the Act.
