Colvile to do comp:-

I would add:

"It seems, however, Colvile doubtful whether the Raja is justified in soliciting a copy of the Court's marked "VII" in her letter, which was addressed by a Subject to the Bd of Directors — & contains only a discussion of the former Officer in expressions palpably wrong — for I ordered Colvile to enforced against the Raja"

I fancy the letter referred to is not inserted in our Proc: of 28 October 1803 — I shall in any Minute I write hereupon.
