No. 205. Read the following Proceedings of the Board of Revenue, dated 17th March 1869, No. 1,833 :—

Read the following letter from the Acting Sub-Collector, in charge of the Kistna District, to the Acting Secretary to the Board of Revenue, dated on circuit at Guntoor, 25th February 1869, No. 40.

I HAVE the honor to forward, for the orders of the Board, copy of an application from the Head Assistant Collector to take charge of the old Military Barracks at Condapully village for the use of the Officers of the district.

2. It is about fourteen years since the Military Station at Condapully was abolished. The buildings are very useful for the accommodation of the Officers in the district.

3. The fee proposed to be collected will be appropriated towards the payment of wages of the servants to be employed for the protection of the building and furniture.

4. In the event of the Board sanctioning Mr. Stuart's proposal, I beg they will be pleased to order the transfer to these barracks of the furniture in the bungalow at Weyore recently abandoned.

ENCLOSURE No. 1.

From the Acting Head Assistant Collector, to the Acting Sub-Collector, in charge of the Kistna District, dated Camp at Cheemalpad, in Bezwada Taluk, 11th January 1869, No. 17.

I HAVE the honor to request you will be so good as to ask the Government to permit me to take possession of the old barrack buildings at Condapully on behalf of the Officers of this district, and to keep them in repair, charging those who make use of them at the rates in force for second class bungalows.

2. The buildings have not been used by the Military Department for thirteen years. They are in fair order, but require a small outlay in white-wash and tiles, as well as in keeping up a servant to prevent cattle trespassing in them, as well as the wanton defacement of the walls with indecent pictures and remarks. They are constantly made use of by the Executive Engineer, the Superintendent of Police, the Inspector of Police, Mr. Forster, and myself, and as far as I am aware are not likely to be of use in any other way to Government. If kept in repair they would probably be sometimes useful to travellers to and from Hyderabad by enabling them to break the long stage (twenty miles) between Bezwada and Kanchikacherla, and would be still more useful if Government would be pleased to allow the furniture of the old bungalow at Weyore, which has been abandoned, to be used at Condapully. This furniture is now kept in the Gannaveram bungalow and in my office, but is not required in either place.

THE Collector's proposal that the deserted barracks at Condapully should be handed over to the Officers of the district, and used as a travellers' bungalow, will be submitted for the favorable consideration of Government.

2. If the request is granted, the Board will not object to allow the furniture of the Weyore bungalow to be used at Condapully; but it must be understood that no new expense is to devolve on the Bungalow Fund for the repair or establishment of the new rest-house.
