Proceedings of the Madras Government, Revenue Department, 13th April 1869.

No. 264. Read the following Proceedings of the Board of Revenue, dated 17th March 1869, No. 1,810:—

Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 6th March 1869, No. 64.

I HAVE the honor to submit, for sanction, plan and estimate* for re-construction of Koratikara bridge on the road from Tirtala *via* Kutnad to Chowghaut (District Road List No. 60). This is a continuation of the line from Tirtala *via* Betutpudiangadi to Beypore. The line is a very important one, and the traffic which has greatly increased of late will be much interrupted if the bridge is not re-constructed without delay.

*Rupees 3,560.

2. Rupees 1,000 will probably be available from savings in other allotments for 1868-69, a memorandum of which will be shortly submitted. The balance of the estimate can be provided for in the Supplemental Budget for 1869-70, which will be submitted as soon after the close of 1868-69 as possible.

3. The work, if sanctioned, will be carried out by the Public Works Department.

4. I request early orders, as it is very desirable that the work should be completed before the commencement of the ensuing monsoon.

ENCLOSURE No. 1.—Plan.

ENCLOSURE No. 2.—Estimate.

THE estimate for re-constructing the Koratikara bridge, at a cost of Rupees 3,560, is submitted for the sanction of Government.

2. On receipt of sanction and of the list promised by the Collector, the Board will allot the necessary funds for commencing the work.

Civil Work.

THE estimate for the re-construction of the Koratikara bridge, amounting to Rupees 3,560, is sanctioned. Some explanation should have been afforded as to the circumstances under which the *re*-construction is rendered necessary. The Government observe, however, from a remark in the estimate, that the bridge is an old one in ruins.
