Proceedings of the Madras Government, Public Works Department,
16th April 1869.

No. 436 Read the following letter from the Acting Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Cheombrambakkum, 22nd March 1869, No. 6,174 :—

1 Plan.
1 Estimate.

1. I have the honour to submit for the sanction of Government an estimate, amounting to Rupees 500, with a plan, for constructing two masonry Guard-rooms at the northern and southern gates of the Arrack Godown in Wall Tax Road, Royapooram, Madras.

2. These rooms were asked for by the Collector of the Madras District in his endorsement on the Deputy Collector's letter, dated 19th January last, to take the place of the temporary thatched sheds put up for the watching Peons, one of which was destroyed by fire on the 28th December last. The character of the materials composing these sheds renders them very liable to damage from fire, and it was reported that accidents from such a cause were not infrequent at the Arrack godown.

3. Colonel Boileau, in calling for the estimate, ordered the commencement of the work, Mr. Fane having asked for its early execution. Captain Goddard, in submitting the estimate, has not demanded any allotment of funds in the current official year.

No. 437. ORDER THEREON, 16th April 1869, No. 1,264.
